

Memorial Shoot - Sunday 10th November 2013

The Memorial Match was well attended this year with 33 members shooting. This is the first time in ten years at least that we have had more than 30 and last year only 18.

The two minutes silence was held across the camp on a fine bright morning which did not make removing ones bonnet much of a problem.

Ed Gilbert was CRO and supervised the Moose shooting, Ian Millward and Mike Sheehan looked after the Leatherby which was as usual the most popular event, and Steve Wallis manned the Baxter Boar as well as being BBQ Chef.

Our thanks to them for affording the rest of us a good days sport.

The time honoured tradition that anyone who topped more than one list had to withdraw from all but one meant that the CRO determined that Alex Linsell-Clark withdrew from the Leatherby and took the Strugnell moose.

JMK - Stats Clerk.
