BSRC Membership Renewal Guidance Notes : 2016

LATE RENEWALS

If your membership renewal has not been received by 31 March 2016 your renewal will not take priority and will fall into the "Late Payment Renewal" Category. If your membership renewal payment arrives after 31 March 2016, your membership renewal will be processed at the end of April and your membership card will not be printed until the first week of May 2016. Your membership will not be activated on the club booking in computer system until the end of April when all late payments received will be updated in one batch and cards printed in one batch. The Club Secretary and Club Treasurer do not have time to process individual late membership renewals and ALL late renewals will be dealt with at the end of April 2016. Therefore if your membership renewal arrives late, you will be unable to shoot at BSRC until 1st May 2016 when the administration process for membership will be complete.

Members that have chosen not to renew their membership by 30 April 2016 will be deemed to have left BSRC. In accordance with Home Office Criteria, the Club Secretary will notify Firearms Licensing of those members that have not renewed their club membership.

For those members who have omitted to renew their membership for whatever reason and still wish to remain a member of BSRC will need to re-apply in line with any "new member application" procedure. A membership application form will need to be completed along with a new passport photo, a cheque for £180. The application will be treated as a new application for membership and will follow the membership procedure at the next Executive Committee Meeting. If the committee decide that the application is successful, the individual will be required to sit the next available induction course and their membership will commence from that date. *Please note, by re-submitting an application for membership does not give any individual automatic right to membership.*
