

## Open Historic Match Results

I am setting out below the results for our Eighteenth Open Historic Match on 6th March 2016.

The turn out was fairly low (probably because we were allocated Mother's Day for the Match) but the members and guests who attended seemed to enjoy themselves.

Notable score of the day was Steve Wallis's 95.4 on the 50 metre Roebuck in the Rook and Rabbit class. Shot at the "blind" scoring rings used in the Stalkers Match this was a test of memory as well as marksmanship.

Thanks to all who took part and in particular to my Assistant Range Officers David Yendall, Don Pearce, Darren Cottee and Derek Stimpson..
