

## Club Mini McQueen Results

Attached are the results from last 2 Mini-McQueens. They were very popular session once again with lots of fun had by all.

Some good shooting, including Nigel Greenaway and Adrian Dagger using historic stuff with low power scopes and CT using an air rifle! The magic 50.10 still eludes everyone though J

### Steve Wallis

#### BSRC Mini McQueen - Sunday 3 April 2016

McQueen - Sniper (HPS = 50.10)
